The enemy, about half-past three o'efcels which was kept up until dark. A dispatch from Gen. Talinferro at five o'clock stated that the onemy had commenced firleg on our pickets om their battery on Long island and from two gunboats in Stone, A small party landed on the south end near the old Yankee butlery RAILBOAD MECHANICS WANTED ! Our pickets were at their old position at Grimball's and Rivers' canseways. Up to six o'clock the enemy had not advanced on our lines. They have brought up some artiflery on Dixon's island, opposite Grimball's, which they were also using in firing on our position. Some musketry firing was heard about seven c'cleck. sad it was reported that a picket fight was then

The enemy kept up a vigorous shelling of the city during the day. The number of shells brown from 8 A M , to 6 P. M., was twentysive. The shelling of the city continued up the hour of eleaing our report. The fleet remains unchanged - Courier.
